Zonca Lighting is a renowned Italian brand
specialising in high–quality lighting solutions,
with over a century of history and experience.

Known for its exceptional designs and craftsmanship,
Zonca Lighting creates a wide range of lighting
that blend traditional and modern aesthetics.

Zonca Lighting's collections feature sophisticated styles,
combining modern and classic elements
to create timeless pieces.

TAILOR MADE

Serial, contract, tailor and custom made:
each Zonca Lighting creation reflects a taste for innovation
and and an awareness of tradition.

An interplay of ideas and projects that designs spaces,
to shape unique atmospheres of absolute elegance.

A product for every style, for every environment,
for every dream.

Zonca Lighting, thanks to its long experience
and constant commitment to innovation,
creates unique, customized and tailor–made products
that reflect customers' most intimate desires
and shape our company's values of quality
and made in Italy.

We have attention to technical and aesthetic requirements,
selection of materials, exclusively handcrafted workmanship
and after–sales service network.

All projects light up thanks to the flashes of creativity
of in–house designers, in a continuous search
for innovative formal solutions.
